EDITOR'S LETTER

Loads of people seem to have got rather fond of dodging the daily commute and working from home recently, and I dare say that's fantastic for a great many office workers... but spare a thought for those of us whose offices used to get regular visits from some of the loveliest, not to mention horniest, women in the land! Working from home doesn't sound so much fun any more, does it? Still, needs must, and at least we can still feast our eyes on the likes of Rosa, Natalia and Adele when they appear in the mag!

HOUSEMATES' RATES

Dear *Mayfair*,
When I when to University last September I was hoping I'd be getting laid every night with a different girl – all horned up by their new found freedom. But of course, it didn't turn out like that, and for the first year I got barely a sniff of clump.

That changed rapidly when I left the halls of residence and moved into a shared flat. I was expecting to be sharing with a friend of mine and a couple of girls he'd made friends with on his course, but as it turned out, he dropped out over the summer and was replaced by another girl – suddenly I was looking at a year of sharing a place with three girls and not one man in the way!

To cut it short (I know, you'd like to hear all the gory details but I'll be buggered if I'm writing a fuck off sized essay without it going towards my final result!), I bagged all three of them during my time in that house, but the most memorable moment happened one afternoon at the end of term.

The girls, Lucy, Anne and Bethany, were all very open about their sexuality (that would be one of the reasons why I managed to fuck all three of them on and off over the year without any jealous monsters rearing their heads up next to mine…), probably spurred on by the most out and out slut, Bethany. It was always her that suggested we play some kind of sexy drinking game that always ended up with her getting her tongue down one of our throats – and more!

But one night, after we'd all had a day out over the local park and had sank quite a few ciders, we bundled back into the house and carried on with the revelry. I can't remember how it all started, but the girls got it into their heads that I would be able to guess who was who just by looking at their pussies. They'd been joking about it all day, elaborating on the theme, wondering if I could do it by taste and smell or if I could tell by sliding my cock up them and feeling them clamp their pussy muscles round my shaft.

All this had got me horny as fuck and I was hoping that they might just put their hilarious joke into action. With Bethany around, I knew that all it would take was

KEEP TAKING THE TABLETS

Dear *Mayfair*,
First of all I just wanted to say a massive thank you for soldiering on – albeit digitally – through the last few terrible months. I don't know what I'd have done without my regular fix of *Mayfair*, and now that I've got used to you being on my tablet rather than on paper I've especially enjoyed being able to flick through your pages while my other half's sitting in the same room, completely unaware that I'm eyeing up one of your lovely models while she's watching the television! And on the subject of your models, I have to say Atlanta (50.05) is a very welcome addition to your stable. She's got a beautiful, innocent face and yet she's clearly very much in command of her sexuality, which for me is the most attractive thing in a woman.

Keep up the good work, and long may you continue to help boost the nation's spirits!

Frank, via email.

Thanks Frank – and good luck with your sneaky browsing, although had you thought your other half might fancy a look as well? – Ed.

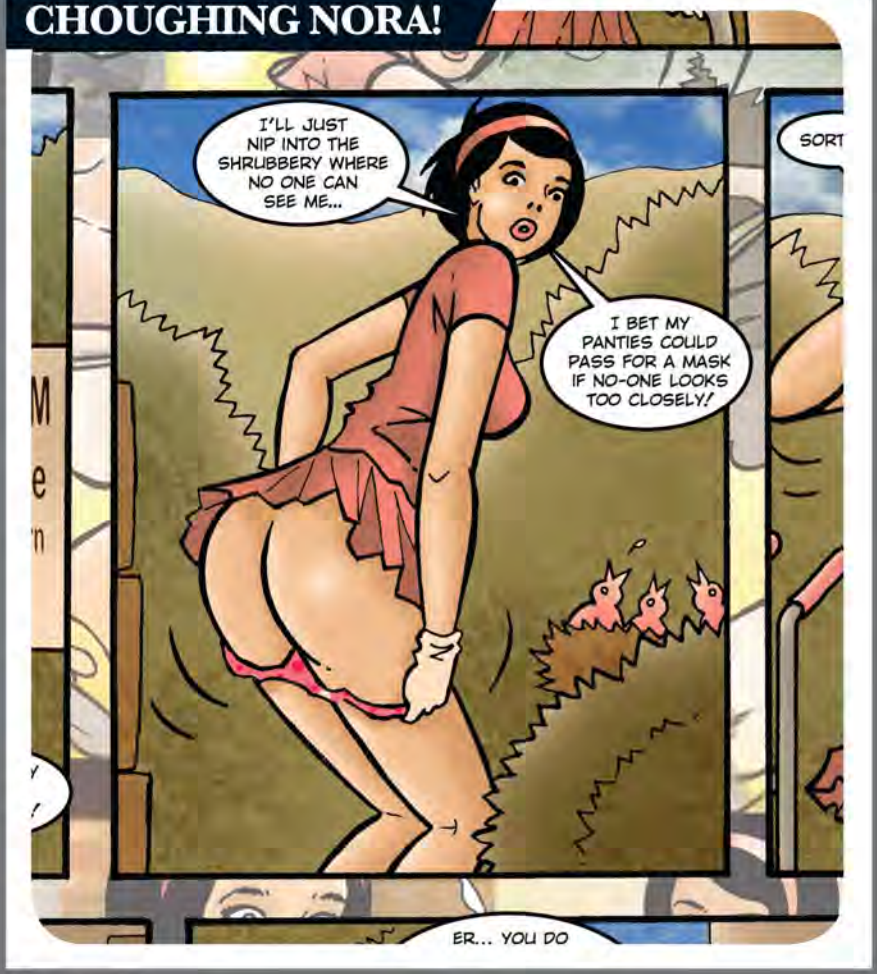
CHOUGHING NORA!



I'LL JUST NIP INTO THE SHRUBBERY WHERE NO ONE CAN SEE ME...
I BET MY PANTIES COULD PASS FOR A MASK IF NO-ONE LOOKS TOO CLOSELY!
SORT
ER... YOU DO

Dear *Mayfair*,
As a keen birdwatcher (in both senses) I was delighted to see Penny Fortune giving us twitchers an eyeful in her last strip, but I'm afraid to have to put you right on the fact that there's no such bird as a lesser crested chough. In fact the chough's a pretty dull looking bird that's easily mistaken for a crow (in fact, they are a kind of crow). Still, hopefully next time Penny will treat us to another look at her great tits or her brown boobies…?
Ken, Newton Abbot.
Thanks for putting us right, Ken. Next time we need any expert avian advice, we'll know who to ask! – Ed.

a bit of a push from her and the other two would be ready to go. So when she came down from the toilet with a make shift blindfold and some silk scarves to tie my hands behind my back, I knew that I was about to fuck not one, not two but three hot young chicks at the same time!

Giggling and laughing drunkenly, they sat me down on the kitchen chair and tied me up, blindfolding me at the last moment.

"Okay, so what shall we try him on first?" said Beth.

"Let's try smell first!" came Anne's voice. "That's the trickiest."

Then it was all quiet. I could hear them shuffling about, their heels clicking on the kitchen floor – they must have been taking their panties off…

"Okay Michael, try this one first," said Bethany and my head was pulled forward until my nose was brushing against some pubic hair.

"No licking! You can only smell them first."

I breathed in deeply, savouring the smell of a moistening fanny – I really didn't care whose it was and I wasn't going to make any guesses until I had my rod inside one!

"Erm, I really have no idea who that is," I said, sniffing some more.

"Well how about this one?" came Bethany's voice again. Once more, my face was pulled forward and another clump of pubic hair nestled my nose. This time I had to bend down further, so I instantly knew that it was Lucy as she was the smallest of the three, but I said nothing, feigning ignorance again. I loved going down on get.

Then the final snatch arrived on my chin doorstep and yet again I breathed in as deep as I could. But I said nothing.

"We'll have to move on to taste," said Anne. "Maybe we should move him into the other room, it'll be easier for us to sit on the sofa."

I felt hands lifting me and then I was led into the front room and helped onto my knees, presumably in front of the sofa.

No sooner was I down on my knees then I was guided forwards until my mouth found the waiting pussy. Nobody spoke – I knew what was required of me.

Tentatively, I began to trace my tongue over the fleshy folds. They were dry, but when I parted them and lapped at the hole inside them, pussy juices spread all over that sexy butterfly and I could hear Lucy quietly moaning. Suddenly, the other two joined in, hoping to mask the sounds of

> LUCY PULLED ME DOWN TIGHT INTO HER PUSSY AS SHE GROUND HER WAY THROUGH HER ORGASM.

the groans I guess by saying things like, "Oh Michael, yes, just there!" but they couldn't help giggling about this too.

That was okay, I was enjoying myself no end, trying to make Lucy come in front of everyone as fast as possible. And to my delight, she began to cry out and buck against me, silencing the other girls – I guess watching a girlfriend of yours coming would do that to you. Lucy grabbed my hair and pulled me down tight into her pussy as she ground her way through her orgasm, and when she had finished there was a moment of silence before I said, "That was Lucy. Next!"

Without anyone saying anything, I could hear people changing places in front of me and then I was pulled facially down into the next pussy.

This one was wet all over, the labia were far more meaty than Lucy's, and I could easily find the clit as it was way out there – Bethany!

"It's Bethany," I said after a few seconds of licking. After Lucy's orgasm, I wanted to tease Bethany, the biggest of the three prick teasers in here.

"But you haven't even tried mine yet," groaned Anne. "I want a go!"

I had given up all hope of this carrying on as it was, I knew the three of them were more than ready for some full on sex, so I wriggled out of my constraints, lifted my blindfold and told Anne that she should sit next to Bethany and get ready for some pussy loving.

The three girls sat side by side on the sofa, their legs open, strumming on their clits and looking up at me. I started by going down on Anne – she too was soaking wet, and I added a finger inside her cunny as I licked and sucked on her little clitty, reaching over to Bethany's crotch and sinking a finger inside her for good measure.

Looking up for a second, I could see Bethany had a hand between Lucy's legs and they were kissing deeply. That was

In case anyone out there thinks girls don't find posing for Mayfair just as much of a turn-on as readers find checking out the results, I have two pieces of evidence to the contrary – Natalia's left nip, and her right one!

"Ha – they do rather give the game away, don't they?" she grins. "They seem to have a life of their own, sometimes, which can get a bit embarrassing when I'm out and about and have a naughty thought. Suddenly I can feel them pressing against my top, and I swear everyone can see them!"

Sounds terrible. Still, we wouldn't have them any other way!

TOP RUMPS

Dear *Mayfair*,
I've always been a bit of a bum man, and whenever I get my hands on the latest copy of *Mayfair* I don't waste much time having a look through to check out the peachy rear ends on display. Nice 'fertile' hips are always a giveaway to a perfect derriere, and your most recent issue had plenty of goodies for me to feast my eyes on, with the picture of Atlanta at the top of page 8 alerting me to the likelihood of a magnificent rump, which was duly confirmed on the, er, bottom of page 12. Kayleigh's flawless jacksie was another site for sore eyes – especially in its symmetrical glory on page 36 and her oh-so-inviting rear entrance on page 38 (which I still keep going back to for another look!). And then there was Lola, who clearly knows what a lovely bum she's got, if her posing's anything to go by, perfectly summarised by page 63, which managed to show off her wonderful arse and sweet pussy in the same shot. Here's to some more lovely bottoms next issue!
Simon, Lewisham.

enough for me to get on with it, so I stripped off all my clothes and stood watching the three of them playing with themselves and each other, wondering which one to fuck first.

Bethany stood up and turned around, kneeling on the sofa. "Fuck me first," she purred, her wet snatch glistening from between her thighs. Right on, girl!

Standing behind her, I eased my dick up her snizz and began to fuck her good and hard.

In the back of my mind, I knew that I should take it easy or risk shooting my wad right away, but I had been so horny throughout all this that I just couldn't stop. Pumping hard, I pulled out and then blasted my spunk right up her back, letting a couple of stray strands fly towards Anne and Lucy for good measure.

You could see by the look on all three faces that they were mightily disappointed.

"It's OK girls, this thing will be back online any moment now, I just need the three of you to help it on its way. And with that, I stood before them as they all three began to fondle my dick and balls, waiting for it to regain its full size before taking it in turns to suck me off.

But I had to stop that pretty quick – three girls sucking you off can make a man come pretty fast!

We started again, this time with Anne on her knees, and now Bethany and Lucy were so horny they wanted to help. Lucy was busy sitting on the floor beneath me, licking at Anne's pretty snatch, while Bethany was behind me, thrusting against my arse, helping me fuck her mate. Whenever I accidentally came out, Beth would reach around and wank my cock for a moment before sliding me back in, and soon Anne was gasping through her own orgasm.

Now it was only Bethany that was waiting to come, and she lay back on the floor and told us all to lick her all over. Between me and the girls we tongued every part of her that we could, and it ended up with Lucy sitting on Bethany's face, Anne sitting astride her stomach as she kissed Lucy (with Bethany's fingers up her twat and mine in her arse!) and me slamming my dick up Beth's tight snatch. I can't even remember if Bethany came then, because if she did it was at the same time as me, and I was too busy enjoying showering Anne's arse in spunk and watching Bethany reach round for it and rub it into Anne's pussy.

There's only one sad thing about this and that is that I shall probably never have a sexual experience like that again, but as they go, it's got to be one of the greatest of all time, and it'll certainly stay in the wank bank for years again!
Michael, Leeds.

CAROLINA

There have been plenty of pictures of packed beaches in the paper, alongside articles questioning the wisdom of everyone squishing together like that. Well as you can see, here at *Mayfair* we take our social distancing very seriously indeed, and we had to usher everybody else off the beach before we'd permit Carolina here to wriggle out of her wetsuit for your delectation! Stampede's quite a strong word, but once the evicted sun-worshippers realised what a glorious sight they were missing out on, that's pretty much what we got, so it was on with the snorkel and back out to sea!

TECH'S APPEAL

Fancy some now tech gubbins to brighten things up as we continue to creep cautiously out of lockdown? Well don't go splashing out till you've read the *Mayfair* lowdown!

SONOS ARC

Sonos have carved out quite a niche for themselves in the hi-end audio market, so when they release a new top of the range soundbar that costs a whopping £799 it's got to be worth a squizz, if only to work out why it's so pricy – a full 100% price increase over the Beam, their previous top spec soundbar. Well the primary use for a soundbar is, of course, to give your flat screen telly a bit of a helping hand when it comes to audio – there's no way a really skinny modern telly can pack in the sort of speakers the screen size really merits... and of course the Arc (which is, you'll observe, rather straight to justify that name) does that with ease. But you can get 50 quid soundbars that'll manage that, so what about the other £749's worth of value? Well, the Arc's got it's internal speakers positioned in a nifty way that'll mean you can get an impressively immersive surround sound experience from it for when you're watching the latest blockbuster. Once configured properly it'll give you the impression of sounds coming from all around the room and not just from the front of the tellybox, meaning you can do away with those pesky speakers you've got stashed away in various corners. (Literally) on top of that, this is the first Sonos soundbar to factor in Dolby Atmos, which adds a new dimension to surround sound by bouncing noise off the ceiling, so it genuinely feels like that spaceship/helicopter etc it flying right over your noddle. And it's not just blockbusters that have Atmos these days – HD broadcasts of sport and wildlife programmes offer the benefit as well. As well as the TV thrills, it's also a genuinely impressive music speaker, which can be hooked up via the app to Spotify and the like, and with a powerful bass it'd take some pretty extreme tunes to make you notice the lack of a subwoofer. And it's also smart speaker which can be hooked up to Amazon Echo or Google Home as well. But is it really worth shelling out that much? Well, there are lipsyncing issues – especially with Sky and Virgin (a perennial soundbar problem), so you might want to think long and hard...

PRICE: £799

SAMSUNG SERO

Televisions have certainly come a long way in the last 30-odd years. Those lumpy great cathode-ray things in the corner of the room have got thinner and thinner, wider and wider, brighter, darker, more efficient and smarter, but what they've never done is get more rotational... until now, that is! Samsung have decided that there might just be a market out there for a telly that swivels from being your standard landscape device into being a portrait one as well – and this is it! Now being a lazy arse like me, you might think this would be to accommodate those viewers who, at the end of a long day writing tech reviews for the nation's toppermost gentleman's periodical, might occasionally find himself watching the TV whilst sprawling out on the sofa, but in fact that's not the idea at all; the Sero is the telly for the generation of viewers who've grown up watching things on phones and tablets and who, therefore, like to be able to switch to scrolling through their social media which, as you all know, is resolutely portrait. Now you might think such people will almost certainly have their phones to hand when watching the telly and can do it that way, and I'm inclined to agree with you, but there's no doubting that Samsung have produced an interesting piece of kit. It's a swish design and the 43" Ultra-HD QLED screen is very pleasing on the eye, while the 60 watt speakers are way better than you'd have any right to expect. But really, even with a 10 year screenburn warranty, is anyone going to want to buy one?

"I don't mind Eric being a transvestite – it's just that it really eats into the housekeeping!"

Four guys are just about to tee off one morning when they notice a funeral procession passing by on a road next to the course.

"Why don't we pause while they pass?" says Hugh. "It doesn't do any harm to show a bit of respect for the dead."

They remove their caps and stand silently as the cortege passes.

"There were a lot of cars," says Hugh.

"That person must have been well loved and respected."

"Yes, she was," says Peter. "And we would have been married for 25 years tomorrow."

Two women had been for a girls' night out and had far too much too drink.

Walking back home they suddenly realised that they were desperate for a pee. Seeing as they were near a graveyard, they decided to nip in and relieve themselves where no one could see them.

The first woman had nothing to wipe herself with, so she used her knickers and then chucked them away.

The second woman, however, was wearing rather expensive knickers and had no intention of throwing them away. Instead she found a ribbon on a wreath and used that to wipe herself dry.

The following day, the first woman's husband phoned up the second woman's husband. "These girlie nights have got to stop," he said. "My wife came home last night without any knickers on."

"You were lucky," said the other man.

"Mine came home with a card stuck between her bum cheeks that read: 'From all the boys in the 22nd regiment – we'll never forget you'.

A family have gone over to America for their holidays. They go for a drive in a National Park to have a look at the bears and get some snaps for the photo album.

However, once they hit the forest, they immediately get lost and drive for hours without seeing another human being let alone a bear.

Eventually, they see a signpost in the distance and drive towards it.

"What's the sign say?" asks mum.

"It says 'Bear Left'," says one of the kids.

"Ah bugger," says dad. "Well if the bear's gone, we may as well go home as well."

During a diplomatic meeting between the Donald Trump and the Queen, the president suddenly goes off on a tangent.

"You know," he says. "I'm getting pissed off with my country, the good ol' US of A, being just a country. I've been thinking of taking a leaf out of your book and changing the name to the United Kingdom of America."

"Well," says the Queen. "I'm afraid that for it to be a kingdom, you'd need to have a king in charge. And you're not a king."

Maggie Thatcher appears in a dream to Boris Johnson and tells him to privatise the NHS and paint the Houses of Parliament green.

"Why green?" he asks, confused.

"Ah," smiles Maggie, "I knew that would be the part you'd have a problem with."

"Shoot," says the president. "How about a principality?"

"That requires a crown prince to be in charge, and you're not a prince."

"Goddamn it. How about an Empire?"

"To be an Empire," says the Queen curtly, "you need an Emperor in charge, and you're not an Emperor."

Before the president can say another word, the Queen continues: "I think you're best off staying a country."

This lockdown's been bad enough for all of us, but it must be especially hard going for a flighty young beauty like busty Brit Lycia here, who must surely be champing at the bit to get out clubbing again...

"Hmm, I don't know if I've missed the clubbing that much, to be honest," she muses. "I've had my fair share of wild nights out, but one of my resolutions for 2020 was to try and be a bit more selective with the guys I end up with – so nightclub charmers who look good in a T-shirt are out!"

So blurb-writers who look terrible in T-shirts are in, then?!

"Umm, no. Sorry."

Bristol-based beauty Rosa caused quite a flurry of excitement when she made her Mayfair debut last year, and since then we've had the added thrill of checking out her twin sister Grace as well. So we wondered if there was a bit of a competitive streak between the girls when it came to their modelling...?

"Not as far as modelling goes, I don't think. In fact once or twice we've been able to help each other out, when one's got a booking and suddenly can't make it, the other can go along and nobody's any the wiser! When it comes to men, though, I'd say we've had a bit of friendly rivalry when it comes to a bloke we both fancy!"

Oh, but it must be fabulous for the guy!

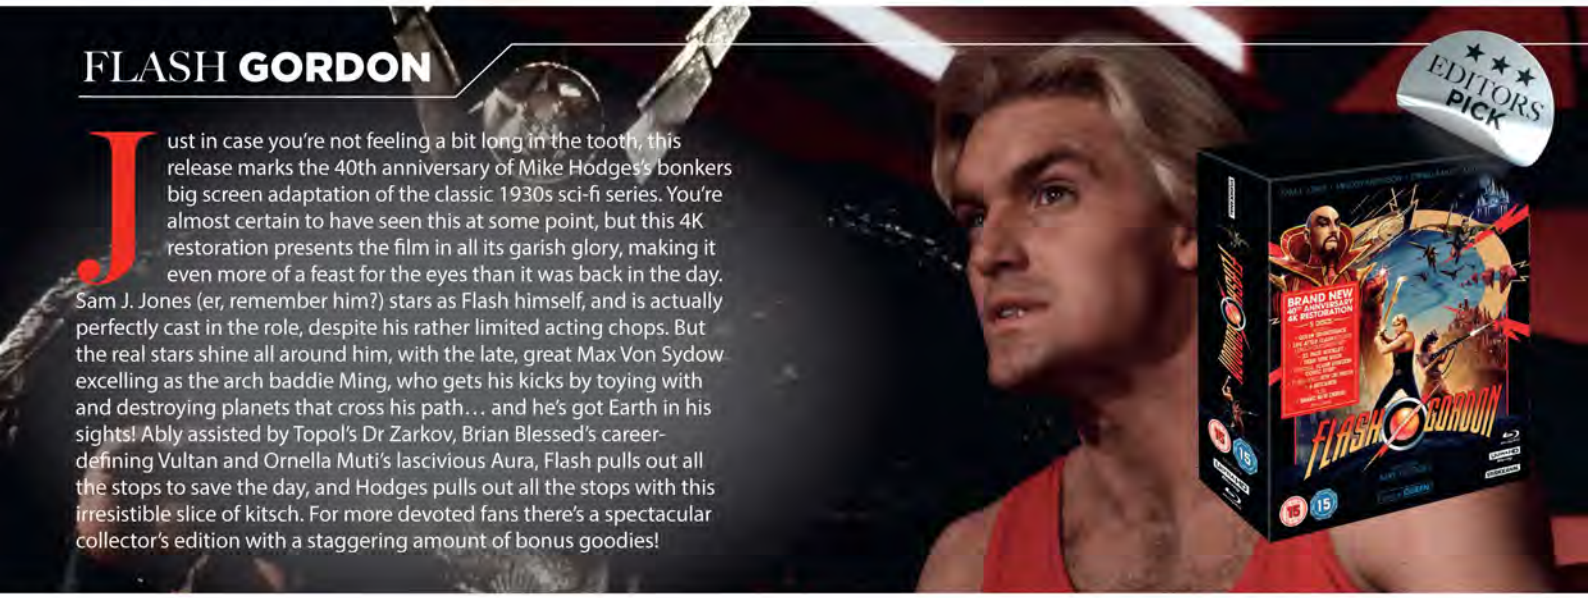
SCENE from MAYFAIR

2020 rumbles on with pop-up quarantines keeping us on our toes and never sure when we might end up housebound again – so best stock up on some quality viewing, eh?

FLASH GORDON



Just in case you're not feeling a bit long in the tooth, this release marks the 40th anniversary of Mike Hodges's bonkers big screen adaptation of the classic 1930s sci-fi series. You're almost certain to have seen this at some point, but this 4K restoration presents the film in all its garish glory, making it even more of a feast for the eyes than it was back in the day. Sam J. Jones (er, remember him?) stars as Flash himself, and is actually perfectly cast in the role, despite his rather limited acting chops. But the real stars shine all around him, with the late, great Max Von Sydow excelling as the arch baddie Ming, who gets his kicks by toying with and destroying planets that cross his path… and he's got Earth in his sights! Ably assisted by Topol's Dr Zarkov, Brian Blessed's career-defining Vultan and Ornella Muti's lascivious Aura, Flash pulls out all the stops to save the day, and Hodges pulls out all the stops with this irresistible slice of kitsch. For more devoted fans there's a spectacular collector's edition with a staggering amount of bonus goodies!

FIVE GRAVES TO CAIRO

Billy Wilder would soon become Hollywood royalty, but here's an intriguing example of his earlier work – in fact only the second film he helmed. The quality's already apparent, which is unsurprising given the film features the partnership of Wilder and screenwriter Charles Brackett, who'd go on to work together a total of 13 times, including such classics as *Sunset Boulevard* and *The Lost Weekend*. Franchot Tone plays a British soldier who finds himself the only survivor of a battle in North Africa and, having escaped through the desert, winds up at a near-empty hotel. Unfortunately it doesn't stay near-empty for long, as Erich von Stroheim's Rommel commandeers the place. Can our brave Tommy survive this nasty predicament? With the help of the hotel owner's daughter (Anne Baxter), he's at least in with a shout…

OUTLANDER SEASON 5

We were a bit slow to catch on to *Outlander*, which has recently finished its 5th season on Amazon, but it ticks a lot of boxes and is one of those rare shows that men and women can both enjoy, once they've got over the concept… which is that nurse Claire (Catriona Balfe) has somehow stumbled through a hole in time and travelled from post-war Scotland back to the 18th Century, where she hooks up with hunky highlander Jamie (Sam Heughan). Plenty of beautifully shot japes follow that see the pair get tangled up with the Jacobite rebellion, culminating on the field of Culloden. Season five finds them settled in pre-revolutionary America, and life isn't getting any easier, with redcoats and unfriendly neighbours adding to their woes. A Season 1-5 boxset is also out for newbies who want to see it from the start.

SPARTACUS

Here's the second of our stonking anniversary releases, and this time it's a 60th, with Stanley Kubrik's 1960 epic getting a magnificent dusting off and remastering in 4K ultra HD – and it's certainly the sort of film that demands as big a screen as it can get. Kirk Douglas, of course, stars as the titular gladiator who, having been spared in the ring by a fellow trainee, leads a revolt against an iniquitous Roman society that sees him and his ilk as mere disposable possessions. Teaming up with Tony Curtis's rather fey Antoninus and fellow slave Jean Simmons against the powers that be in the form of Laurence Olivier's Crassus and Charles Laughton's Gracchus, the odds are stacked against the slaves and, well, it all goes tits up. Plenty of magnificent set pieces helped cement Kubrik's reputation, and this release boasts plenty of additional attractions, not least an additional 12 minutes of added footage, as well other deleted scenes, behind the scenes glimpses, an interview with Kirk Douglas and loads more. All in all, an impeccable reissue.

MY BRILLIANT FRIEND

Elena Ferrante's bestselling books have been quite the publishing sensation in the last couple of years, so it's no surprise to see her exploration of life and friendship in Naples finding their way onto the small screen. This is the second series, which adapts *The Story Of A New Name*, and it's a classy piece of TV which aired on Sky Atlantic this spring, but which deserves a bigger audience than that would have garnered. Season two looks at the lives of Elena (Margherita Mazzucco) and Lila (Gaia Girace) as the grim post-war 50s Naples gives way to an altogether more upbeat 60s. Entanglements with local gang members ensures the girls are far from straightforward, while family problems and romantic rivalries keep the pair completely intertwined as the decade progresses. Beautifully shot and scored, this keeps up the quality of the first season and bodes well for the remaining two.

THE MAN WHO LAUGHS

Eureka continue on their mission to unearth and present some of the finest films of the silent era with this release from 1928, when silents were just starting to be eclipsed by talkies for good. Although ostensibly an American film, this one wears its German influences squarely on its sleeve, not least thanks to the direction of Paul Leni, who'd already scored a horror hit the previous year with *The Cat and The Canary*, and star Conrad Veidt. Veidt plays Gwynplaine, a sort of proto-Joker who had his face disfigured into a terrible smile by the enemies of his executed father. He makes a living as a sideshow attraction in Restoration England, along with his blind companion Dea (Mary Philbin). It's startlingly eye-catching in this 4K restoration, with the gothic horror of the era played up to the full, and Veidt gives an astonishing performance as the character who, when his true identity comes to light, has to choose between his true love and a return to the aristocratic circles that are his due.

Hmm, lockdown seems to have agreed with Charlie Rose, doesn't it? She's looking lovelier than ever when most of the rest of us have gone to seed! So what's the secret?

"Ha! I guess that in the absence of much else to do, I've decided to take care of myself a bit more. No late nights out, for starters, but I've also started to think more about what I eat and getting in touch with my body's needs."

That sounds intriguing! What kind of things does that involve?

I've taken up yoga and mindfulness, and watching my sleep patterns."

Well if there's any way we can help with your body's needs, let us know!

KILL CODE 87

EDITORS PICK

CAST
AIDRA FOX
JESSA RHODES
IVY LEBELLE

Once upon a time porno viewers were simple folk who were happy enough to settle for a plot that revolved around maids, pool cleaners and delivery guys, but nowadays we're a more demanding audience and increasingly want some crafty plot that involves organised crime… or perhaps the stars just like getting to try out their acting chops a bit more, whilst waving guns about? This one's got a bit of the *Bourne Identity* about it, as ex-soldiers are trained up to be killers – as Aidra proves to stud Scott, but not before we've been treated to the sight of her perfect arse bouncing atop his pole and he's treated her to a gobful of goo. Not that it does poor Aidra much good in the end – she still gets clipped! It's Jessa with the gun up next, and after blowing away some sap she celebrates with moodily-lit bunk up that sees her sort out Michael Vegas in more ways than one. Things turn more anal for Ivy and Jessa the last two scenes, but there's still plenty of gun-play to break up the bum-play!

GARDENERS 2

CAST
ADIRA ALLURE
LILU MOON
ALYSSA REECE
SARAH CUTE
AMARIS
RED FOX
MIA SPLIT
SOFI SMILE

I didn't get a chance to see *Gardeners 1*, but having seen the sequel, I've got a pretty fair idea of how it went. Lilu's sunning herself in the garden while Adira fries an egg, but the breakfast soon takes a back seat as the girls decide they'd rather be tucking into each other. After sliding a little buttplug up her pal's jacksie, the slurping begins in earnest, until a drop of rain finally brings the pair's fun to a close. After cavorting through a vinyard Alyssa and the appropriately named Sarah Cute find themselves in a ruined building, where they pass a mutually satisfying afternoon engaging in some tastefully shot lesbiary. Red's in the garden doing some cramming for an English exam, but it isn't long before the only thing she's cramming is her tongue – up Amaris's juiced-up slit. She'll never pass like that! Finally Mia and Sofi make the most of a sun-lounger to savour each other's shaven snatches.

YH: BREAK THE RULES

CAST
ALICE JUDGE
LADY DEE
TINA KAY
LOU LOU PETITE
HONOUR MAY
MISHA CROSS
REBECCA JANE SMYTH
JASMINE JAYE
BRITTANY BARDOT
ALYSSA DIVINE

That's a lot of female talent in the cast list, with plenty of British representation in there for fans of the domestic product! Yep, Harmony have dusted off the Young Harlots franchise good and proper with another trip to their notorious (happy-) finishing school. A Peeping Tom is caught outside the school, and is punished by, well, being on the receiving end of a foursome with busty headmistress Alice and a couple of her wards, with a bit of botty action thrown in. Finally, just for good measure, Tina gives him a couple of whacks on the bum with a cane. A lesbian three-way follows, with plenty of strap-on and toy action along the way, before our errant voyeur is back in action, pronging another brace of pupil/staff sploshers. In the finale Pascal pitches up to lend a cock, with Lou Lou and Alyssa on the receiving end.

ADELE

Age: 33 **Vital Stats:** 32D-25-33 5'3"
Photographer: BBM

Let's face it, the last few months have been quite an ordeal, and we've probably all needed a bit of bucking up now and again... and we reckon petite lovely Adele Taylor's just the person to do it! It's a shame she's not available on prescription, because she always raises the mood of the office when she pops in, what with her cheery disposition, cheeky grin and bubbly personality.

"Well that's very nice of you to say so! I always thought you all looked so happy when I came in because you enjoy looking at me in the nip! I guess I might as well keep covered up from now on," she beams.

Ahem, well no matter how perfect she is in every respect, things are even better when she's *au naturel*!

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

Name: HELENA
Age: 27
From: LONDON

Last year I had a fling with an older, married man for a few months and to be honest the only thing that kept me going back to him was his fantastic prowess in the sack because he was a bit of a tool in every other respect.

I'd arranged to meet him for a late dinner in a rather swanky restaurant. I'd booked the table for a mere hour before the restaurant was due to close, as it was only to serve as a starter for the sexual feast to follow. Well, I was sitting there sipping a cocktail, getting progressively hornier at the thought of what was to come when he called my mobile to explain that he'd been detained at the office.

That was my excuse to dump him, and despite his pleadings I told him not to bother calling me again. The only trouble was, I was feeling super horny by now, and didn't fancy the prospect of going home without a good fuck.

Almost on cue, fit, dark-eyed waiter in all his liveried glory approached my table.

"Oh dear," he said, clearly picking up on my frustration. "May I be so bold as to suggest another drink?"

"Yes you may," I replied. And then, eying him up, I added, "But there's something else I'd much rather you supplied me..."

"Well," the waiter said, playing it admirably cool, "if that's what you're after, I can oblige you after hours. Tonight me and my girlfriend have to lock up after the rest of the staff have gone home."

"Oh, you girlfriend?" I said. "Interesting... So which one is she?"

"Over there," he said and pointed at a pretty blonde waitress. "She's quite open minded, so are you interested?"

I nodded that I was, pointed at my empty glass and said, "But let's keep that flowing."

Later, when the last staff member had gone, the door locked and the blinds drawn,

William – the waiter – came over and said, "OK, are you ready for afters?"

"But where's your girlfriend?" I asked, equally as eager to savour her pussy as I was William's cock.

"Here she comes now," he answered. I turned to see her walking towards us from the far end of the restaurant – completely naked. Nice. Saying nothing, I wriggled out of my knickers and pulled my skirt up around my waist to give him a good look at my smooth shaven gash and tight arse.

"Oh yes," he said with relish. Then he unzipped his trousers, pulled out his swollen dick, and started bumping the head of it against my pussy lips. I was already dripping wet, and he wasted no time, causing me to gasp as he gently eased his helmet inside my slit. I gasped more when he started quickly popping it in and out of it. As he did so, his girlfriend Lucy – to whom I was never formally introduced – hopped up onto the table and slid in front of me with her legs spread wide and bent at the knees. Then she inched her way towards me until her cunny was directly in front of my face. It was pretty clear what she wanted, and I wanted it too. Burying my face in her pussy, I drank

> "BURYING MY FACE IN HER PUSSY, I DRANK DEEP, LAPPING AND SMACKING MY LIPS AS I DID SO."

deep, lapping and smacking my lips as I did so.

By now William was fucking me gently but deeply, and it felt incredible. Every now and then he'd grab me by the hips and vary the speed of his strokes. The first time he did so I withdrew my tongue from his girlfriend's slit and rammed three fingers into its sweet wetness. She let out a yelp of pleasure, and started thrusting herself harder onto my digits. Then a look came over her face that said she was about to blow – and seconds later she did, in a blur of quivering flesh and squirting juices.

As his girlfriend lay in front of me with her eyes closed, panting, William suddenly said, "You ready?"

"Am I ever," I replied, emphasising that remark by slamming

backward so that his balls slapped against my pussy, his dick buried inside me to the hilt. That's when William finally went into overdrive, slamming his cock in and out of my hungry hole with a ferocity that took my breath away. Then I began tingling from head to toe as one of the most amazing orgasms of my life exploded in my twat, flooding my entire body.

William wasn't far behind me and, pulling out, he moved round to the side of the table and, with a couple of fist pumps, fired a thick wad of his cream all over his girlfriend's glistening mound. Needless to say, I was only to happy to lick it clean for her, flicking gobbets of come between her lips before scooping it up and gulping it down.

It wasn't long before William was ready for seconds, and this time it was my turn for a tonguing while his girlfriend rode his prick. Eventually we knelt in front of him as he fired his second load over us, and Lucy – with whom I'd still barely spoken a word – and I snogged passionately, savouring the taste of the salty semen treat we'd been given before we licked William's throbbing cock clean.

It was the perfect way to put the affair behind me, and William and Lucy have turned out to become firm, umm, friends since then. I can't wait until I the restaurant's reopened and I can hook up with them again this Autumn.

Helena, West London.

"WITH A COUPLE OF FIST PUMPS HE FIRED A THICK WAD OF HIS CREAM ALL OVER HIS GIRLFRIEND'S GLISTENING MOUND."

Once last winter was over I wanted to try something different. I had just moved up north and wanted to make new friends so I joined a hillwalking club I saw advertised in a shop window. I like to think of myself as a good looking girl. I have dark hair, a slim figure and nice pert boobs. I have never had much trouble attracting male attention but since moving to the town where I live all the blokes I'd met were either in a relationship or else seemed to be gay!

"HE BURIED HIS FINGER DEEP INSIDE MY PUSSY AS THE OTHER PLAYED WITH MY TINGLING NIPS."

So the hillwalking club seemed an ideal way to meet new people from nearby towns. Besides, I enjoy being outdoors. On Sunday the club members met at a beautiful spot at the foot of a mountain. The route we choose would take us through a small forest and then along the side of a small stream and up the hillside to a point on the side of the mountain from where we were promised some spectacular views.

Luckily there was more to look at than the countryside! Once we were all introduced and had set off I walked in step beside a giant of a man called John. John was handsome in a rugged outdoor way and his hard fit body had my panties wringing wet just thinking of how he would look stripped naked. He seemed happy to walk with me and within a few minutes I found out that he was single and very receptive to flirtation.

Name: **KERRY**
Age: **29**
From: **YORK**

After the first few miles we two hung back a little and once the others had moved out of sight we pushed our way through the light branches of the trees into the woods, leaving the path. The air was still and we could hear the voices of the others fading. John pulled me into his strong arms and kissed me passionately. His amorous approach almost took my breath away, but I was feeling so aroused by his huge frame that I vigorously

returned his advances.

My hands groped down the front of his jeans as he kissed me hard, pushing his tongue inside my mouth. My pussy tingled with anticipation as my fingers wrapped around his thick shaft. Bloody hell, his cock was such a fucking whopper that I felt like I had a winning lottery ticket!

He smiled and kissed me, then slowly started rocking back and forth inside me. It wasn't really thrusting at first, just rocking, the gentle motion beginning to get me all juiced up. As his huge throbbing cock began slowly stretching me out, I relaxed enough to experience the real pleasure of such a big cock. Seeing my

against me, hard and fast. He pumped more and more quickly, and I tried to keep up, but eventually I just gave up and revelled in the feeling of his huge, stiff member pounding into me, his pubic bone slamming into mine.

I finally couldn't take it any more, and as I felt my orgasm ripping through me,

Actually I was a little scared that it would not fit inside me.

I didn't get much time to worry about it, though, as John's hands seemed to be everywhere at once and before I knew it I was standing with my jeans around my ankles while he pulled my T-shirt over my head. It was still early in the year and the cold air stung my skin making my nipples erect. I rubbed my goose-pimpled arms while he lowered his jeans and kicked off his boots. He buried his finger deep inside my pussy as his other hand played with my tingling nips. His coat was spread out on the grass, and, like a real gentleman, John lowered me gently on top of it. Spreading my legs he pushed his thick cock-head against my slit and began pushing it slowly inside me. He was thick as well as long and it felt like a very tight squeeze so I wriggled around under him trying to get comfortable. Sensing my discomfort he asked if I was OK, but by then I had begun to enjoy the sensation of his larger size and told him I was fine, it was just that his was just the biggest thing I had ever had inside me, but that I was beginning to love it!

excitement, John started moving more, his hips grinding harder as I slowly started grinding back against him. He lifted himself off me, propping himself up on his hands and asked if I was ready to really go for it. I smiled, and, tightening my pussy muscles around him I began squeezing his cock harder. He gasped, and I told him: "Yes! Go for it!"

He moved his hips back, withdrawing about halfway, then slammed it back in. As he thrust, I contracted my muscles, making him shudder. He was really big, and being in the outdoors made the whole experience all the more exciting. I lost all inhibitions and raked his back with my nails as I thrust my pussy up to meet his rod. Consumed by pure lust I cried out encouragement, yelling at John to really fuck me! John grinned down at me as he thrust again and again. He teased me by not going very fast at first, but eventually he sped up until he was pounding

I wrapped my legs around his back and wailed while he continued thrusting, ever harder. Shuddering as I came repeatedly I bit his shoulder in an effort not to scream too loud. Just on cue, John gave one last, extra hard thrust, straining against me, then with a low moan he nearly collapsed on top of me, his come filling my pussy.

I caressed the back of his neck, and squeezed his softening member inside me as we fought to regain our breath. Then we dressed quickly as we heard someone in the distance calling out to know if we were lost! Since then our hill-walking days out have been the highlight of my week, and come rain or shine John and I always make sure we get a little private time together...

KIRSTY KEATING

PHOTOGRAPHS BY HARRY ORMISHER

Last time Kirsty Keating appeared in *Mayfair* (Vol 28 No 9) she told us all about her fantasy of being whisked away to the Virgin Islands by a tall, dark stranger. Well, our desks were awash with letters from handsome hopefuls more than willing to come up with the goods but did Kirsty ever get her dream date?

"No," laughed the 20-year-old, "but I got several other very interesting offers, including a day trip to Bournemouth in a Reliant Robin!"

Were you disappointed?

"No, not at all! The letter was really funny and the guy who wrote it obviously had a good sense of humour. Fantasies are just that, fantastic! But a guy who can make you laugh, well he'll last longer than a dream..."

Classic MAYFAIR

Kirsty Keating – now there's a name to conjure with! The Page 3 babe didn't put too much on show in Mayfair, but she still went down a storm with readers – and this set from 1994 caught her at the top of her game!

Vol.55 No.07

On Sale Oct 28th

They say time flies when you're having fun, but it seems to fly when you're not having that much fun as well. I mean that's summer been and gone now, and 2020, despite all the hanging around at home it's involved which should have made it feel interminable, is now thinking about drawing to a close! Thankfully, though it ain't over just yet, because we've got plenty more goodies we'd like to dish out before it is, and to whet your appetite, here's a little smidgin of what's in store next issue! And to keep you going till it's available... well, there's this issue, of course!
